Year in review: transition

As I look back at the past year's events of the Mary Washington College Alumni Association, I feel that 1977-78 was a time of great change. It was a year that linked our past achievements with future growth of the Alumni Association and Mary Washington College. I am proud to have been president of the organization during this eventful transitional period. It has been an interesting and exciting time to be a part of the decision making body of the Alumni Association.

I would like to share with you a review of last year's accomplishments of our association:

REGIONAL SCHOLARSHIP

The College turned to the Alumni Association to help fund the Regional Scholarship Program. This challenge was gladly accepted and is now a part of our established program to aid Mary Washington College. We still fund the programs and scholarships which we have supported in the past, and we have now proudly added the Regional Scholarship Program.

This year, Mary Washington College developed its own special "Key Club". A gold Regional Scholarship key was presented by President Woodard and me at a continental breakfast before graduation to the first 25 Regional Scholars to graduate.

MARY WASHINGTON COLLEGE ANNUAL FUND

This year was the inaugural year of joint sponsorship of the annual fund by the Alumni Association and the Mary Washington College Foundation. This year, the annual fund has grown by 41 per cent. Three major fund appeals were mailed, and individual class appeals were made. Appeals to business, industry, and parents and a campaign of MWC faculty and staff completed our efforts. This year 2,187 contributors have given a record annual giving amount of $67,527.46. This is the largest amount ever contributed by alumni and friends to the Mary Washington College Foundation.

Eleven telefunds were held both on campus and in the Richmond and Peninsula areas. Over $10,000 was raised through these phone requests.

Helen S. Wills, president of the Alumni Association, presents a Regional Scholarship Key to one of the first 25 Regional Scholars to graduate. The keys were presented during a ceremony prior to graduation this year.

HOMECOMING

"Traditions Filled with Excellence" was the theme for our three score and ten reunion. More than 300 alumni returned to campus for two nostalgic days. The campus was in full splendor as Dr. Edward Alvey conducted two bus tours around campus and to Belmont, the home and studio of Gari Melchers. Anita Bennett entertained the Golden Club for supper at her home at Foxhill; President and Mrs. Woodard held a reception at Brompton; faculty, administrators, and students visited with alumni at the reunion meetings; afternoon cocktail receptions were held and were followed by a banquet and a production of "Godspell" by the drama-dance department.

CLASS AGENTS

A workshop was held in September for our class agents, chapter officers and Regional Scholarship committee chairmen. Professionals from other Virginia schools came to Mary Washington College to share ideas and enthusiasm with each of the participants.

CHAPTERS

President and Mrs. Woodard and Mary Carson, our director of alumni affairs, traveled to California to participate in three successful meetings with alumni in San Francisco, Los Angeles, and Newport Beach. Mrs. Carson met with 12 chapters during the last year. Emphasis is now being placed on the organization of new chapters. Winchester, New York is our newest!

Our Mary Washington College chapters have been most helpful in generating interest for the College, conducting telefunds, running successful ways and means projects and helping to recruit students.

DISTINGUISHED VISITOR IN RESIDENCE

Former Secretary of State Dean Rusk was on campus for three days in November. The Alumni Association funds this program each year to add dimension to the College's current academic programs. Mr. Rusk delivered a major address to the students, guests, townspeople, and visiting Virginia legislators. He attended several classes and a press conference during his stay. Mr. and Mrs. Rusk were guests at several receptions held in their honor. The Alumni Association Board of Directors entertained Mr. and Mrs. Rusk and the Mary Washington College Board of Visitors at Belmont.

BOARD OF VISITORS

The Nominations to the Board of Visitors Committee maintains biographical files on persons recommended to serve on the governing board of Mary Washington College. This year, A. Isabel Gordon and I met with the governor to present nine nominees including those who were up for reappointment. Those appointed to serve a four year term were: Katherine Edmondson Hopper, John Castles and Sue Roberson Smith.

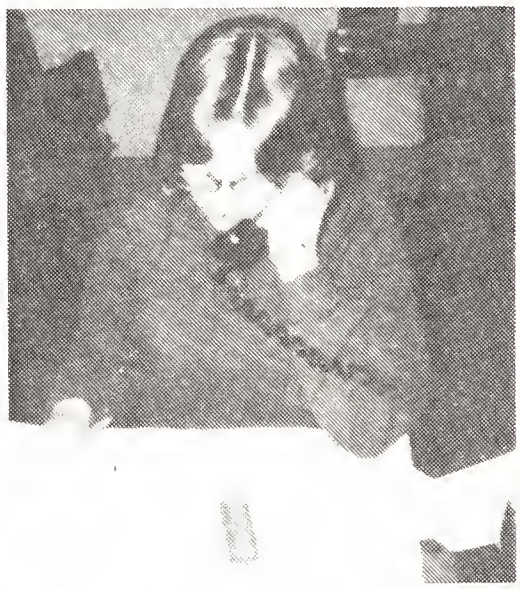
The Anne Fairfax Alumni House was busy April 21 and 22 as 300 MWC alumni, many with their families, gathered at the College for Homecoming 1978.

AWARDS

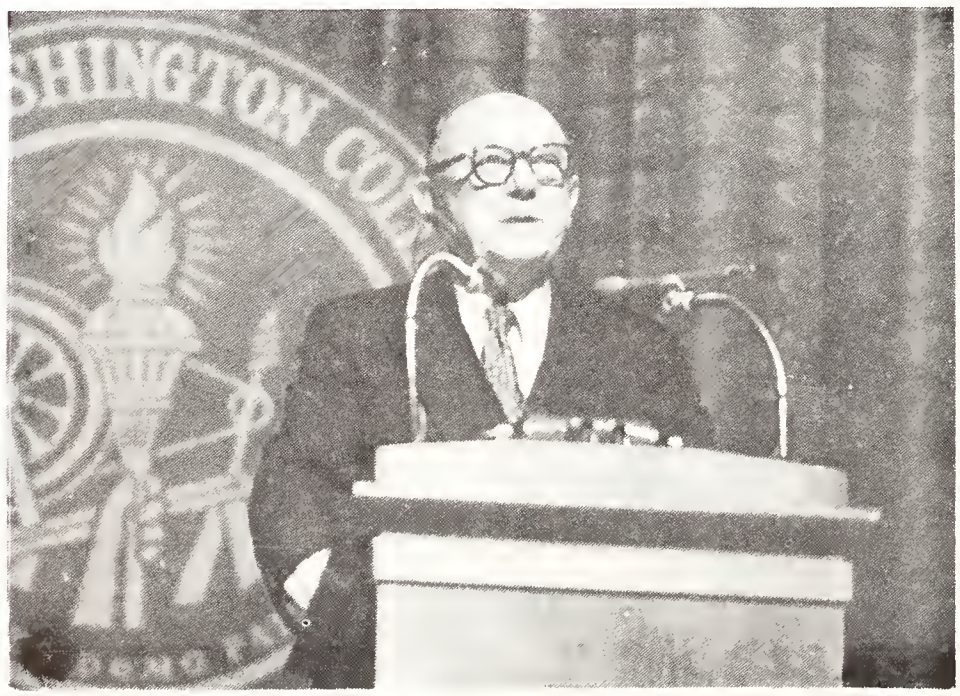
The annual Grellet C. Simpson International Scholarship went to Elisabeth Avery Gray. The Alumni Award went to Patricia Martha Phillips. A special humanitarian award was presented to Lucile Fletcher Aussicker '57. Retiring faculty member Alexander Tyree and Margaret Sue Early were both made honorary alumni. Mrs. Early retired from the MWC faculty seven years ago.

DISTINGUISHED ALUMNUS

This year's Distinguished Alumnus was nationally known writer and producer of the annual Tony Awards and "CBS—On the Air—50 years". Hildy Parks Cohen, a 1945 graduate, was honored for her outstanding contributions to her profession and for her continued interest in serving as an active Mary Washington College alumnus.



Mary E. McWhirt '79 at desk during telefund. Mary raised more than $235 in pledges to MWC.



Former Secretary of State Dean Rusk visited MWC last November as the Alumni's Distinguished Visitor in Residence.

STUDENT–ALUMNI RELATIONS

This committee kept very active throughout the year by keeping the students in touch with the Alumni Association. An informative freshman booklet was distributed in the fall, buttons were made to sell to the students, a "Reach Out" program was held, new students were selected to serve on the committee, a senior booklet was distributed for the first time, and the seniors were given a farewell pancake supper during final exams. Upon the recommendation of this committee, I, as president of the Alumni Association, officially inducted the graduating seniors into the organization as part of the graduation ceremony.

TRAVEL

The travel offerings for the year included London, Rome, Ireland-Scotland, Acapulco, Greece, and Rio de Janeiro. More than 150 alumni and guests participated in these travel adventures.

MWC TODAY

This year a new format for our *MWC Today* was introduced. Two issues have been published in magazine form. New and improved articles are now being scheduled for next year.

With these accomplishments, challenges and changes, the future of the Alumni Association appears to be one of a very active nature. With growth comes success, and with success — the future of Mary Washington College is insured.

'Excellence in Education'— A Message From Foundation President

Alumni & friends of Mary Washington College should be extremely proud of last year's successful Annual Fund campaign. As President of the Mary Washington College Foundation and a member of the College's Board of Visitors, I know first hand how important the Annual Fund is to the continued viability of MWC.

As an institution of higher education, MWC has only one goal, excellence in education. To be a truly excellent college, MWC must have the support of many dedicated alumni and friends because, although the College is state-supported, there are many areas where tax dollars are insufficient to finance its needs. As Dr. Howard R. Bowen said when President of the University of Iowa: "Those public institutions that have achieved greatness, have done so with the help and encouragement of private resources and private leadership."

The dollars that you contributed last year to the Annual Fund are important to the College, but what's even more important is the caring spirit in which you made your gift. You have shown clearly that you care about MWC; that you want the College to be a truly outstanding institution of higher education. You are doing your part, and I'm sure you will be interested to know that the College is doing its part.

As a member of the College's Board of Visitors, I have observed closely the College's administrative practices. I am extremely proud of what has been accomplished at MWC in terms of sound management practices. These practices provide assurance of the ability of the College to deal successfully with the tremendous financial pressures which all institutions are now facing. MWC's pattern of sound management practices gives strong evidence that your support contributed to the College through the Annual Fund will be used both efficiently and wisely.

Mary Washington College remains committed now, as always, to the goal of excellence in education. With your continuing assistance we can expand our margin of excellence.

Sincerely,

Irene Lundy Brown

"There is a destiny that makes us brothers
None goes his way alone
All that we send into the lives of others
Comes back into our own."

Markham

Dear Alumni, Parents, Students, and Friends of MWC,

In the fall of '77 you received the first of several letters from me asking you to place Mary Washington College high on your list of priorities. You were asked to share not only your material wealth, but your time and your talents.

True to the spirit of MWC you have shared more generously than ever. What you have sent into the lives of others will come back as continued excellence in higher education and scholars who are prepared to meet the challenges of today's world. This has all been made possible because you cared enough to share.

My sincere thanks to each of you for a challenge well met. May you have a pleasant summer season.

Sincerely,

Anne Patten Bland

QUEST XX

Between 1965 and 1971, the Alumni Association of Mary Washington College participated in a life insurance program, entitled Quest XX. The program was sponsored by the Women's Life Insurance Company of America. Forty-three members of the Alumni Association bought life insurance policies for a total amount of $66,000.00, naming the MWC Alumni Association as beneficiary. Currently, there are 35 policies still in force for a total amount of insurance of $57,000.00.

Since that time these Alumni have never been recognized for their generous efforts put forth for MWC. The following is a list of names of those who are actively participating in this Quest XX program. The Alumni Association says "Thank You."

"We never promised you a rose garden."

Art Buchwald

By Linda Evans

Saying he doesn't have much use for education, Art Buchwald went on to give what turned out to be probably the most unorthodox commencement address in the 70 year history of Mary Washington College.

"We've given you a perfect world, and we don't want you to louse it up," the humorist told his audience of 383 graduates in May. Buchwald, who attended the University of Southern California, yet never received a high school or college diploma, said his generation has given the world such things as the "flip-top beer can, Dristan to clear your sinuses, Close-Up toothpaste to find someone to marry you, and Geritol to keep your marriage together."

A bit defensively, he conceded that it was his generation that shattered the American dream of owning the biggest car on the block. The oil crisis is a result of his generation's bungling, but he said, "It was our oil . . .your generation has to find its own oil."

"To quote what I told President Carter during Bible class, 'we never promised you a rose garden.' "

Buchwald, whose syndicated column appears in more than 500 newspapers, kept his audience laughing with such quips as "Out of this graduating class of 383, at least 50 of you will find work. I know who you are, but I'm not at liberty to tell you."

In a more serious tone, he told the graduates that he could have told them something they would forget in 20 minutes, but he chose, rather, to "to tell you something so that 20 years from now when your children ask what you did on graduation day, you can say, 'I laughed.' "

During his speech Buchwald revealed that his niece, Ann Marie Conway of Vienna, was among the graduates this year. Saying he could spend two or three hours discussing the future of the world, he added that "as a relative, I keep hearing myself say, 'I hope this guy gets through his speech fast, so we can get out of here by nightfall.' "

Buchwald seemed to enjoy poking fun at the presidency, and told the audience that it's not so unusual that Jimmy Carter is president. Some people wonder why, in a country of 210 million people, we can't find better candidates for president. Buchwald figured that there are about 60 million people qualified by age and citizenship to be elected president. But half of these are women, and "whether we like it or not, this country's not ready for a woman president in the next three years."

He next eliminated those who are afraid to fly, whose wives don't want to move to Washington, who are being audited by the Internal Revenue Service, or who were mentioned in Elizabeth Ray's book. That left 7 million people.

This country can't accept a president who has seen a psychiatrist, and that includes 6, 999, 998. "This leaves us with a peanut farmer from Georgia and a guy who played football without a helmet."

Still, he said that after covering five presidents, he has great respect for Carter. "I worship the very quicksand he walks on," he said.

In closing, Buchwald told the audience of his admiration for the American system of government. He said he was at the White House the night Richard Nixon resigned and observed that "a country where one president can resign and another take his place overnight without one bayonet being unsheathed. . can't be all bad."

Mitchell, Allen Award Winners

Karen Marie Allen of Barnsboro, New Jersey, and Nancy H. Mitchell, professor of English at MWC, received the two top awards during graduation ceremonies in May.

Miss Allen, whose academic average for her college career was 4.0 on a scale of 4.0, received the Darden Award, given to the graduating senior with the highest overall academic average.

The award, established in honor of Colgate W. Darden, Jr., former governor of Virginia, was presented by Darden himself, who was present at the commencement program to receive an honorary Doctor of Humane Letters degree.

The award consists of a cash sum and a medal designed by Gaetano Cecere, former member of the MWC art department.

Grellet C. Simpson, president emeritus of the College, presented the Simpson Award for excellence in undergraduate teaching to Mrs. Mitchell, a member of the faculty since 1960.

Darden received the third honorary degree ever conferred by Mary Washington College. Last year an honorary degree was presented to Dr. Edward Alvey, Jr., former dean of the College and professor emeritus of education. The first honorary degree went to Simpson upon his retirement from the College in 1974.

Awards, reunions mark Homecoming

Broadway and TV personality Hildy Parks Cohen received the Distinguished Alumnus Award for 1978 from Mary Washington College.

Mrs. Cohen, who with her husband, Alexander Cohen, conceived and wrote the recent CBS special, "CBS: On The Air" to celebrate the station's 50th anniversary, received the award during Homecoming activities at the college Saturday, April 22.

The Cohens have also written the last 11 broadcasts of "The Tony Awards." Mrs. Cohen is a 1945 graduate of the College. As a student, she was in the May Court, and was a member of the MWC Players, the Cotillion Club, Alpha Psi Omega, a national dramatics honorary, Alpha Phi Sigma, Pi Sigma Kappa and Cap and Gown.

Commenting on the medium for which she has worked, she said television "is a mixed blessing." She told the audience of alumni that "we can do something about what is on television. It's the individual letter that comes in and is read." The individual, she said, "can affect what is on TV."

Another area about which Mrs. Cohen expressed concern is the unemployment of young people. "We cannot afford to let this generation of young people go down the drain," Mrs. Cohen said as she urged alumni to write to their legislators about this problem.

Members of the class of 1953 admire gown worn by Linda Stango during fashion show at Homecoming luncheon. Fashions through the years at MWC were modeled.

Upon her graduation from college, Mrs. Cohen went to New York City, where she made her stage debut in an off-Broadway revival of "Of Mice and Men." She performed in numerous Broadway productions and television programs, including a role on the daytime serial "Love of Life."

The Distinguished Alumnus Award is presented annually to a graduate of the College who has distinguished himself or herself in a profession, a humanitarian cause or in service to the College. Mrs. Cohen was selected from a field of nominations submitted by alumni and friends of the College.

Mrs. Cohen was born in Washington, D.C. and graduated from Thomas Jefferson High School in Richmond, Va.

Past recipients of the awards have included Camilla Moody Payne, interior designer of the Blair House; Eloise Elizabeth Clark, head of the National Science Foundation, and Ruby York Weinbrecht, librarian of Mary Washington College. Last year's recipient was organist and music director Peggy Kelley Reinburg.

Also presented during a luncheon at the College was the Grellet C. Simpson International Scholarship for study abroad. The recipient for 1978 is Elisabeth Avery Gray, a college sophomore from Glasgow, Kentucky.

Miss Gray, a double major in music and German, will use the scholarship to study at the University of Vienna. Her music courses will include harp and piano, and German courses will include phonetics, grammar, literature, history and art.

The annual scholarship was first funded in 1974 in honor of the retirement of the College's president, Grellet C. Simpson.

Last year's recipient is studying at the Alliance Francais in Paris, and three previous winners have studied in England and Germany.

Miss Gray, a 1976 graduate of Glasgow High School, is the daughter of Mrs. James N. Gray and the late James N. Gray of Highland Park, Glasgow, Ky.

A retiring faculty member and another alumna received special honors during the weekend events. Alexander Tyree, assistant professor of mathematics, was made an honorary alumnus. A graduate of the U.S. Naval Academy and Duke University, he served on the MWC faculty for 11 years.

Mrs. Benjamin Early also received honorary membership in the Alumni Association. A member of the faculty for nine years in the English department, she retired seven years ago. Her husband had served on the faculty for 30 years before his death in January.

Hildy Parks Cohen

A special award for outstanding humanitarian service went to Mrs. Lucile Fletcher Aussicker of the class of 1957. Mrs. Aussicker was recognized for service to her community of Tyler, Texas. She has been active in social and church activities and other humanitarian causes despite having been a victim of multiple sclerosis for the past 16 years.

More than 300 alumni returned to the campus for Homecoming events, which included a reception at the home of college president Prince B. Woodard and a bus tour of the campus.

The winner of the MWC Alumni Award was Patricia Phillips, a math and physics major, who received a silver bowl at the annual Senior Convocation April 6. The 30th recipient of the award, Miss Phillips is from Winchester.

The Golden Club '13–'28

Highlights of Homecoming - After registration at the Alumni House 40 members of the Golden Club boarded the blue and white MWC bus to go to the home of **Anita Pepmeier Bennett** for a picnic supper. There was plenty of good food, and a beautiful cake was sent by the President of the College, Prince B. Woodard, with the words, "sweets to the sweetest" on his card.

After as much socializing as possible, the group boarded the bus in time to attend the reception at Brompton.

The next morning the Golden Club met in the Reserve Parlor of Ann Carter Lee Hall for its annual meeting. At this time Mrs. Bennett thanked everyone present for the generous response to her plea for contributions to the Regional Scholarship Fund.

At the annual meeting Mrs. Bennett presented a check in the amount of $740 to the MWC Annual Fund. Many members had contributed to the Alumni Association prior to Homecoming so that a total of $2,331.50 was contributed by the Classes of 1913 through 1928. A good portion of the money came from the Class of 1928 which was celebrating its 50th reunion.

Elections were held and the existing oficers were re-elected. Mrs. **Lela Deere Darter** was elected to a new office of treasurer. Mr. James E. Baker, music professor at MWC, spoke on "What is Going on at MWC Today."

The Golden Club decided to have a picnic supper next year at Homecoming on the campus of MWC. The cost is not to exceed $3.50 per person. A committee will be appointed to take care of the details.

At the annual luncheon the group was recognized by the President of the Alumni Association, Mrs. **Helen Starnell Wills.** Gold carnations were presented to the 30 members present.

After a steak dinner banquet in Seacobeck Dining Hall, several members attended the Drama-Dance Department's presentation of "Godspell."

All in all the weekend of April 21-23 was quite a success for members of the Golden Club, and thanks to everyone who sent thank-you notes for the picnic supper.

We had a great Homecoming and birthday celebration of MWC. Seventy-five years ago the cornerstone was laid and I was there; in 1911 I entered the first class. This Homecoming was different; much work had been done to make it enjoyable. It was fun, friendliness, fellowship, large attendance, good speeches, entertainment with song and dance and good food.

The Class of 1915 was represented by **Elsie Wood Rice, Margaret Sayre Ransone, Edna Gibbs Hunter** and **Ruth Carter Vellines.**

I met **Alma L. Raiford's** '15, niece, **Louise Raiford Lowell** '28. Was glad to see **Christine Vassar Farrar** '44, **Marianna Murray** '25, **Lucy Mae Freeman Jeter** '22, **Helen Hart Prasse** '23 and **Olie Mae Hope** '33. **Olie Mae** is hunting and fishing--killed a deer on Thanksgiving Day. Also saw **A. Isabel Gordon** '42 and **Anna Mae Harris** '38, a professor at the College, who is the niece of **Fannie Hiter Bowie** '15.

On April 8 **Louise Ward** and I attended a delightful luncheon of MWC Richmond Chapter at the Salisbury Country Club with 77 in attendance. President Woodard and Mrs. Carson spoke about the College.

A letter from Mrs. **B. U. Tyner** in January 1978. She is living in her ancestral home at Lumberton, N.C., with a sister and brother-in-law. Enjoys her church and limited activities. Had a note from **Julia Raiford Urquhart** '13. She was doing very well. Card from **Virginia Arrington Saunders** '19 at Easter. She is doing well also. **Margaret Sayre Ransone** is continuingthe literacy classes and working with foreigners. Had a phone chat with Bruce and **Lorena Hoar Neill** '31. They were entertaining a nephew from out of state. Both are well. On Friday at noon we, the 1915 girls, dined with **Elsie Wood Rice** and enjoyed being together. Pleasant memories of the weekend!

Last December I sent out 39 letters to you classmates urging you to come to our 60th reunion, or to please write to me telling me about your life. I had letters from **Bowie White Dunn** (we are sorry to report that Bowie Dunn passed away on 3/13/78), **Fannie Mae Morgan Wright, Ellen Armistead Futrell, Idalia Bland Minnigerode, Elmyra Snead Thomas** and Miss Grace Houchens (our gym teacher). We enjoyed reading these letters at Homecoming. Thank you so much.

Fannie Mae Morgan Wright, Helen Raines Hodges, Mary Ellen Burke Donald and I were the only ones that got to our reunion. It was just a wonderful affair, and I am so sorry you all couldn't make it. Maybe next year you will be able to come.

Our Golden Club dinner party that **Anita Pepmeier Bennett** had for us at her home, "Fox Hill," was perfect. There were 45 of us there.

The luncheon-meeting was given for 312 members. The reunion classes were honored quite nicely. It was a privilege to be at Homecoming '78.

We are members of the Golden Club; this was our 50th Anniversary!

The weekend celebration at Homecoming was very revitalizing. The program was all arranged for us; every minute was most enjoyable. So sorry many of you missed it. There were only 17 of us, but we had a great time. Those present were: **Virginia Hill Chilton, Lela Deere Darter, Frances Parrott Deale, Rachael Wingfield DeAngelo, Alice Lewis Dodson, Elizabeth Johnson Gravatt, Claudia Wilkins Kitts, Mildred Olds Leyser, Louise Raiford Lowell, Emma Cooke Machen, Clara Huffman Payne, Virginia Ruff, Adelaide**

Reunion of the Class of 1938

Reunion of the Class of 1933

Herndon Shelton, Carmen Mejia Weiler, Hilda Manieri Traina, Pauline McGhee Legette and **Barbara Woolard Hilldrup.**

I saw **Irene Pepmeier Leonard** at **Anita Pepmeier Bennett's** picnic supper. She was unable to attend any of the other activities on the campus because she was recuperating from eye surgery.

We were sorry the following members could not be with us because of their own illness or illness in the family: **Mildred Drummond Drewer, Hilda Avery West, Susie Guy Swain, Dorothy Hamner, Catherine Harding Wellons, Annie Stotz Robinson** and **Mary Young Tate.** Our best wishes for a quick recovery go out to them.

Barbara Woolard Hilldrup had a lovely social hour for us with dessert and cokes; that's where we had our "bull session." It was so much fun hearing all the exciting experiences of our classmates. We learned that **Hilda Manieri Traina** is doing an outstanding job as Mayor of Hopewell, Va. She's been very active in the community. Barbara looks younger and "peppier" than ever.

Emma Cooke Machen and **"Billy" Wilkins Kitts** haven't changed much. They are still a lot of fun. I really appreciated your generous contributions for the class gift to the College for the Regional Scholarship Program. I knew I could count on you. Thank you for your response.

Elizabeth Shepherd Schnitker wrote from Mt. View, Ca., that they are planning to take a cruise to Alaska. Elizabeth and Ed love California; after all these years it is home for them.

Emma Lou Cooke Machen taught science at the Robert Snyden School in Hampton, Va., for 32 years. Both she and her husband, Luther, were in the field of education. After her husband's sudden death in 1966 the Luther W. Machen Elementary School honored him by bearing his name. Emma has two stepsons and one daughter.

If you want an up-to-date directory of the class, send your request and a dollar to the Alumni Office.

Please let me hear from you, and keep us posted as to any change in your life or address. I have promised to stay as your agent for five more years. I need news of you.

Let's look forward to 1983, and pray we'll be there in a larger attendance.

Reba Collier Thorpe has asked to be replaced as Class Agent. If anyone is interested in serving in this position, please contact the Alumni Office. Our many thanks go to Reba!

What happened to all the Class of '33? Only five turned out for homecoming. **Isabelle Page Burden** and **Lois Cornwell Draper** came and brought their husbands. **Josephine Langford Bareford** brought a friend from her church to drive for her. Her husband had a stroke and is still disabled. I stopped in Ashland and brought **Olie Mae Hope** with me. On Sunday I traveled to South Hill Hospital where my 92-year old mother has been since a fall on April 8.

Cornelia Wyatt Doggins writes that she has been working five days a week at Tidewater Memorial Hospital, Tappahannock, Va. **Alice Mae Brown Walden's** son and family moved to Roanoke the first of the year. He accepted a call as pastor of the North Roanoke Baptist Church. **Margaret Kalnen Damke** says she has a small part-time job that ends late in May, but spring is "rush" season. She plans to retire completely in another year. Due to an illness **Lucy Byrd Sutton Ewell** could not come to Homecoming. **Virginia Ewan** retired from the Federal Reserve Bank of Richmond on May 1, 1973. She is now living at home alone. She is not able to do much after being in and out of the hospital and still under the care of a doctor.

Nannie Mae Morris Williams asked to be remembered to all her friends. **Marion Smethie** wrote that she could not be at Homecoming but she is indeed grateful for the faculty members of MWC when we were students there.

Nancy Jones Hurrle stopped by the Alumni House on Friday, but could not stay for Homecoming. She, her husband and her sister had attended the DAR Continental Congress in Washington, D.C.

Mary E. Tarpley writes that she is enjoying her retirement. She traveled with the MWC group to Acapulco for New Year's '78. Mary wishes there were sufficient interest for an Arlington Chapter of the MWC Alumni Association. Is there anyone out there who would like to help us organize a chapter? Please contact the Alumni Office.

Greetings!

Though I had planned to be on campus during Homecoming, personal affairs kept me away. I do hope there were some class members able to enjoy the festivities. Perhaps next year we shall get to see many of you as it will be our class reunion.

Isabelle Walker Spence moved from Nebo, N.C., to Vineland, N.J., to be with her family and where she lived when a student at MWC. A note from her indicates she is thinking of reunion time next year.

If you want to see your name in print in the *MWC Today*, please send news.

Best wishes; have a great summer.

The class of 1937 extends deep sympathy to **Frank Nash Young** whose husband, Les, died March 7, 1978. He had been athletic director and coach at Warren County H.S., Front Royal, and served as president of the County Education Association. Before retiring in 1976 Les had taught social studies at Bethesda, Md. The Youngs live in Rockville,

Reunion of the Class of 1943

Md. Daughter, Susan, lives in the D.C. area. Although touched by grief, Frank took the time to write to me.

Lucy Lee Pierson Welsh wrote while she was in Fredericksburg. Her comment about our new column and the new *MWC Today* was very complimentary.

By this time **Becky Kalnen** will have been on her trip to Spain or France. Last summer she toured England with the American Institute of Foreign Study. The flu bug hit her in January and slowed her down considerably for six weeks. Bad weather and sickness put Becky behind in school work as well as caring for her pecan grove. When this news is published her wish for school to come to an end will have been fulfilled.

"Abominable" was the description of the winter weather in Medford, Delaware, wrote Sara **Gray Wilson.** The Wilsons spent two weeks in Florida at Christmastime. They visited friends in Stuart and Singer Island on the East Coast. Sara plans to retire at the end of 1978 and is looking forward to two or three months in the sunny South. The Wilsons traveled West this summer to see friends in California and Kansas. Daughter, Mary Sue, lives at home and is working on her master's. Sally is getting hers in College Counseling.

Mary Chapman Mitchell wrote again from Africa. One of their most pleasant events was a visit of Herbie's sister and her husband. The Mitchells drove to Johannesburg, a distance of more than 900 miles, to meet them. All international flights to South Africa come to that city. They toured 3,000 miles before returning to Capetown. Mary's main hobby is a garden that supplies many of the same variety of vegetables one might grow in our own country. There wasn't enough space in the back yard so she dug up part of the front yard for her great variety of plants. The Mitchells prefer a warm climate and are thinking of living in Florida when they return to the U.S.

Doing just what "suits her fancy" is what **Louise Roberts Jenkins** is doing since retiring. Her home is in Spartenburg, S.C. She misses working with young adults of college age but not the every day routine of punching a clock. Children, Patrick, Judy and Linda, are all married and Louise is fortunate to have them and six grandchildren near enough to visit often. A church group called "The Young at Heart" offers tasty luncheons and a variety of trips which interest Lou. Although retired she says, "I'm always in a hurry. Do remember me to all the girls in our class."

Like so many others who have been kind enough to write, **Eloise Trussell Kousz** thinks the *MWC Today* is great, and news about classmates interesting. She and husband, John, moved from Hempton to Glenolden, Pa. Eloise taught 10 years before moving, and in 1976 retired after 28 years of heading the English Department in Pa. She has just completed a two year term as Pennsylvania State President of the Delta Kappa Gamma Society. Retirement, church and community activities keep her busy. Husband, John, is an Aeronautical Engineer.

Both good and sad news comes from **Fran McLeod McIver.** Her mom who was 100 years old passed away in December. On her October birthday she had received greetings from President and Mrs. Carter as well as a personal letter from S.C. Senator Strom Thurman. One of Fran's sons lives in Tallahassee, Fl., the other in Burke, Va. From 1960-1967 the McIvers lived in Melbourne, Fl., but family health problems necessitated a change in climate and California seemed best. Fran is looking forward to a trip back east in the near future to visit family and friends. She was most impressed with the new magazine and the unusual cover. Further comments expressed appreciation for the effort that is being made by class agents in gathering news from classmates not heard from in years. Lastly she sent love to all you girls who shared so many happy times together.

Many MWC graduate retirees are coming to Florida for part of the winter. Another has been **Adele Crowgey Giles** and husband, Joe. They spent time on the East Coast this fall and returned to Roanoke in January. Sometime during the summer Adele and Joe will visit with younger daughter and family in Denver, Col.

Before another winter this one man Chamber of Commerce needs to get out enticing bait to lure some of these MWC girls and spouses to the West Coast of Florida.

If you have forgotten or overlooked the two important words on the cover of the Fall issue of our magazine, examine again. Reread page one of that issue as well as page 11 of the Winter/Spring edition and be reminded that the College needs our support in al phases of its educational program.

The months are quickly slipping by and summer will soon have pased. Many of you have had new exciting experiences during this time that others would love to share. It only takes a short time to get your news to one of your class agents before the Sept. deadline. To all of you who have written we say thanks. To those of you who have not we ask - please - we would like to know about you.

Lib, Dot, Joe, Lucy, Adele

(Note) During my visit to California in March, I met **Liz "Clarkie" Clark.** She retired after 27 years of teaching. Across the table was **Fran McLeod McIver.** The two of them hadn't seen each other for over 40 years. Both live in northern California. It was a joyful sight to see. **M. Carson**

For those of you who didn't make it to the 40th, try harder to make it for the 45th. We were there, an even dozen of us. The College had a full program to keep us busy. Not only was the program full, it was interesting.

Prior to the gathering, I had heard from **"Mike" Boswell Rothery** saying that they were taking a long planned cross-country trip in their van, and would be unable to attend. Missed you!!

Lois "Skippy" Milstead Goodwin and George and **Fleet Carney Morgan** and Tom were the only ones brave enough to bring hubbies. Both looked great. Fleet has retired from her position as legal secretary, and Skippy is still the busy homemaker. They plan to be reunioning again next year at W&L (George's 40th and son Clark's 10th).

The Culpeper contingent arrived for lunch and the reunion meeting prior to it. **Zillah Rhodes Gutowski, Evelyn Bickers** and **Mary Inskeep Carpenter** all looked great. Zillah has two sons, one of whom looks just like her.

Ruth Staples Haynes came up from Lancaster; **Mitchell Forrest Lyman** was here from Chapel Hill, N.C.

Anna Mae Harris was with us as a representative of our class who serves on the faculty at MWC. She is well and does not at the moment plan to retire yet.

Eleanor Fawcett Thornton also came from Charlotte. She had done a good job in conquering her arthritis, and was in much more mobile condition than the last reunion.

Flora Ryan Durgin, Mary Kettenbeck Gademan and **Helen Pressley Voris** checked in Saturday morning. Flora is still working part-time in New Jersey. Mary T. and Helen have retired. Mary T. spends a lot of time with golf and is a gardener. Widowed several years ago, Mary T. looks great and is as peppy as ever. Her daughter and two grandchildren live nearby. She sees **Helen Battista** '36 occasionally and reports that she is well.

Flora enjoys her part-time job helping with elderly, partially disabled out-patients. Her family of three girls and a boy and six grandchildren are nearby, and Doug is still a comfort and support.

Helen and Calvin still live in the same place. The house seems large now that the two boys and two girls are gone, but it is nice to spread out in. Gardening, home repairing and writing occupy their time. Then there are the two little grandsons.

On the way back from the reunion Flora and Eleanor stopped to see **Frank Nash Young.** Frank was Eleanor's big sister and a good friend to both.

Helen and Mary T. found **"Bill" Easley** anticipating retiring in June from the Arlington schools and going back to - you guessed it - Chatham. **Dot Ballance Skinner** was to meet them next day after her trip back from a weekend in Hot Springs.

Hope to hear more from more of you and more frequently.

Reunion 1978 is now a unique page in our book of memories. We missed you if you weren't there; we had a great time! Start planning now for the 40th in 1983!

There were 28 of us with 17 being "repeaters." We were delighted to see 11 there for the first time. If we could just get all the repeaters plus first timers, we'd really have a crowd! However four have passed away who were there in '68 and '73.

Those present: **Evelyn Sheads Appleton, Lee Hall Archer, Ruth Duff Brown, Evelyn Squire Brandt, Bea Draper Atkinson, Mary Turnley Burnett, Ruth Bailey Conroy, Dorabelle Forrest Cox, Susie Matthews Fogle, Alma Kirkpatrick Howell, Mary Wallace Huskey, Ruth Henriques Johnson, Margaret Lamberth, Hilda Holloway Law, Peg Moran Logan, Anne Clarke Mann, Dot Barrett Martin, Harriet Tyler Miller, Virginia Johnson Moeller, Dottie McGlothlin Mullins, Nancy Leigh Cronin Osborn, Peggy Pugh Pittard, Daphne Crump Rudilosso,** Nancy **Inglis Russo, Ann Dennis Ryan, Edith Winslow Staalman, Fran Wills Stevens** and **Bertha Dickinson Taylor.**

My appologies for the first portion of the Directory; my ribbon was old, but it didn't look this bad until it was printed. Please correct Daphne's house number to 1027 Harbor Dr. and ADD **Ruth Duff Brown,** 2511 Kensington Ave., Richmond, Va. 23224; **Gillette Mingea Brown,** 425 E. 86th St., Apt. 5A, New York, N.Y. 10028; **Grace Edwards Riddle,** Lincoln Boyhood Nat'l Memorial, Lincoln City, In. 47552; **Nancy Leigh Cronin Osborn,** Belaire Ave., Aberdeen, Md. 21001 and **Eleanor Wilbourne Pinkerton,** 5310 Pelham Rd., Durham, N.C. 27713. We FINALLY located **Rose Ronci Bunch** in Suffolk, courtesy of **Alma Kirkpatrick Howell**! Please send street number!

Our reunion "class gift" to the Regional Scholarship Fund totaled $667 for which I am very grateful and proud. Most of us stayed at the Holiday Inn South and quite a few gathered in **Lee Hall Archer's** and my room for an information session after the President's reception Friday night. Saturday a.m., was our reunion gathering and picture in Ball Parlor (can you think of a lovelier place?). **Bertha Dickinson Taylor, Dorabelle Forrest Cox** and **Hilda Holloway Law** volunteered to help me in the class agent duties. Hilda, Dorabelle and I will shortly divide the class list for better contact and Bertha will keep the scrapbook for the next five years. Please write and send news! I am most appreciative for so many wonderfully kind expressions of confidence and thanks - and for these additions to my "staff."

The awards for coming the longest distance have to go to **Peg Moran Logan,** Garden Grove, Ca.; **Ann Dennis Ryan,**Laguna Miguel, Ca., and **Harriet Tyler Miller,** Bloomington, Ind. We hope this will encourage others to plan to come in '83!

Beulah Spain Harrison has been quite ill, but is getting along fine now. Bertha, Dorabelle and Hilda went to visit her recently. We hope Beulah will be with us in '83. **Evelyn Sheads Appleton** has just retired from working in the Town Hall, Vienna. She has a two year-old grandson who will be moving to Florida soon. **Lee Hall Archer** and husband have a son and daughter, live in Laurel, Md., where Hunt is with a brick firm. Daphne is teaching fifth grade now on a new system of school - 45 days of school and 15 days off, year around. Things are changing! **Ruth Duff Brown** is a dietician at McGuire Hospital in Richmond and has recently bought one of the renovated old homes in the "fan district" of the West End. **Margaret Lamberth** taught in a girl's school in Africa for 15 years and now is teaching at home in White Marsh. **Bea Draper Atkinson** and husband have six children, live in Severna Park, Md., and Bea and **Peggy Pugh Pittard** from Richmond went on three MWC trips - Majorca, Rio and London. **Nancy Inglis Russo** and **Anne Clarke Mann,** town girls, were there for their first reunion. Nancy's husband is manager of the golf course at Fredericksburg Country Club. Anne is in Springfield where her husband is in the construction business. He has just completed the new wing of the art museum in D.C. **Mary Turnley Burnett** teaches in the business dep't of John Marshall High in Richmond. **Nancy Leigh Cronin Osborn** and husband appeared at the reunion, to our happy surprise. I didn't have an address for her; they live in Aberdeen, Md.

I had a nice letter from **Myran Russel TenEyck** expressing her disappointment of not being with us (she was here in '73). **Bonnie Bendroth Weiss** and husband are planning a trip to Colorado in October; please send information to us about Bonnie. She lives in Amherst, N.H. I have not included information written up in the Directory, only additional.

The NEWS can be only as good as what you send! Get busy NOW! Fran

Laura Hailey Wright passed away on December 1, 1977, in Alexandria, Va. The following poem is dedicated to her memory as an expression of love and sympathy to her family from the Class of '49:

The Reason Why

Not til the loom is silent
And the shuttles cease to fly,
Will God unfold the pattern,
And explain the reason why.

The dark threads were as needful
In the weaver's skillful hand,
As the threads of gold and silver,
In the pattern that He planned.

We just heard that **Mary Lee Oliver Darling** was elected to the Williamsburg City Council. Congratulations and good luck!

Eloise E. Clark, Assistant Director of the National Science Foundation for Biological, Behavioral and Social Sciences, has been elected to the Board of Directors of the American Association for the Advancement of Science. "Bitsy" is a former Distinguished Alumnus of MWC.

The Alumni Office received a letter from **Anne McClerkin Arneson.** A part of it is shared with you: "I have been interested in the Regional Scholar Program, featured on the Fall 1977 cover, for sometime. I hope, over time, an ever-increasing number of out-of-state regional scholars can, through bequests, share the unique opportunity for enrichment Mary Washington College provides. MWC is unique, as the President's message in the Fall 1977 issue reminds us. Like so many others, when I graduated I took away far more than a diploma; through the years MWC has remained an important part of my life and my identity."

Anne was just recently selected for listing in the *Dictionary of International Biography.*

Four letters have arrived from classmates who didn't attend the last reunion. **Charlotte Adams Harrell** had a mini-reunion in Virginia Beach last summer at the home of **Nancy Parker Crocker**, with **Peggy Sherman Capers, Susie Brenner Kessler, Jean Amis Hill, Mary Anne Jones Beard** and **Dorothy Maynard Power.** Nancy has two teenage daughters who tolerated the invasion by all of their mom's friends. Peggy had come all the way from Georgia, with slimness, the result of daily jogging. Susie's oldest daughter will be a freshman at UVA next fall. Dot has been busy caring for four children and playing tennis. Jean is the chairman of gift shops in two large area hospitals, a full-time volunteer job. Her daughter was married in April.

Clair Sindlinger DeGroot is living at the Naval Base in Philadelphia. Her second daughter graduated from MWC in June. Charlotte's husband, Bob, met Claire and her husband, Ward, at a Public Works meeting in Chicago in September.

We have a sculptress and a poetess among our classmates. **Selma Freidman Fink** sent me a copy of the March issue of the *Brooklyn Journal* which included an article about her one-woman show. Selma does stone carvings in alabaster, marble, limestone and soapstone in addition to bronze castings. She works from her studio in Brooklyn Heights and has displayed her sculpture in competitive shows at the Brooklyn Museum, Atlantic Gallery and Gallery 91. Selma writes that she and her husband bought a 200 year old "saltbox" home in Salisburg, Conn. They have three daughters in college. Selma still keeps in contact with **Eva Busemann Hansel** who is writing great poetry.

Nancy Moxley Stone missed the reunion due to preparations for her daughter's graduation from Randolph-Macon Women's College. After graduation, she is working as French-English secretary to the president of Michelin America Research Corp in Greenville, SC. Nancy's younger daughter is a junior at Randolph-Macon and in the spring term, was in England at a university there. Nancy and husband, Ernest, live on a farm, raising cattle. She is still involved with music, being the president of the Blue Ridge Chapter of the North Carolina Symphony, organist at church, and teaching seven piano pupils.

Nancy Stump Motley has her four children all up and out of the nest. Sharon, married and teaching in Richmond; Shelly graduated from UVA this May; Doug, working in Roanoke; and Ben at VPI.

Elizabeth Bennington Smith, husband, and two sons live in Boone, NC. He is with Appalachian State Univ., she, in guidance with the school system. Son, Larry, made a trip to England this spring with an advanced English class. They are all ski enthusiasts.

Phoebe Wilson Sherwood and family moved in January to Harrisonburg, where they bought a huge old house on two acres. The winter was spent papering and painting; spring will involve tennis league and gardening. She has accepted presidency of the JMU Women's Club. Phoebe sent news of **Jerry Ewell Mendez**. It seems she was visiting her daughter in nursing school in West Virginia and got snowed in. Jerry had to spend several days in the dorm for a very unique vacation.

At this writing, I am taking a west-coast trip, trying to contact as many classmates as possible. **Alice Parsons Bennett** and I had lunch in the Space Needle in Seattle, Wa. She is a part-time secretary for LDS, as unwed mother and adoption coordinator. Her husband is a manufacturers representative in business for himself. Their children are Dick, at Univ. of New Mexico; Barbara, a medical assistant; and Ted, in high school. Alice gave me news of **Jean Crews Derry, Margery Eames Cramer** and **Bernice Fawthrop Eubank.** Jean has her masters degree in education and is teaching. Her daughter, Jan, teaches music in Florida and son, Fred, is into deep-sea diving. Margery's daughter teaches Celestial Navigation in Honolulu, Hawaii; three sons are still in school. "Bunny" was teaching chemistry in Tulsa, Okla., is very active in Rainbow Girls. Her daughter, Irene, lives in California and has made Bunny a grandmother. She also has a son in college and a young daughter, Mellissa.

I tried to contact **Eleanor Mount Gehres** during a three hour stay in Denver but no one was at home. Also missed seeing **Wilma Taggart Leiser** in Portland, Oregon, as she was out of town for the weekend. Hope to have news from them for the next issue.

Thank you all so much for all the news. This job is fun. Keep it coming!

Twenty-five and counting . . . .This will be the last message from **Anna May Wheeler Gillett** and **Ginny Poole Kinniburgh** as we turn over the Class Agent's job to **Janet Galloway Carter.** We topped our goal of $1,000 for the Scholarship Fund and gave the Alumni Association $1,103.53. The Homecoming weekend started Friday afternoon with a bus tour by Dean Alvey, but Saturday morning our class gathered for the first time. Anna May brought copies of our yearbook pictures to the meeting and we each signed our own picture . . .for posterity and the 30th reunion. We received silver tipped carnations at the luncheon and annual Alumni meeting on Saturday afternoon. A cocktail party, banquet and informal get together at the motel brought Saturday to an end, but not before Anna May and I put some classmates to work writing this column. **Peggy Hopkins Johnson** writes: "On our 25th, we came 31 strong. We were seen and heard, and we left our mark on MWC and dear old Fredericksburg! You were all missed but those who did show up continued where we left off on our 20th Reunion."

Reunion of the Class of 1953

And from **Becky Spitzer Harvill**: "Now you'll never know which ones of us are fat, wrinkled and gray! And we'll never tell! Start making plans now for '83. We'll see you then." Now from **Barbara Faxon Stout**: "This lost alumna was found again as was true on the 20th. We missed you! Make it to the 30th. I never write but I do show up occasionally. Next time it's your turn." **Mary Anne Moore Twite** writes: "Had the best time talking about all of you who didn't appear. Haven't had so many laughs in five years!" And from **Nell McCoy Savopoulos**, "Well, you missed it - this was our last reunion before we're all too senile to recognize each other. We have all aged, gracefully, of course, and our middle-age spread is not yet out of control. Better come to the 30th . . . we talk about those who don't show up." **Charlotte Benz Villalobos** writes: "You really missed a good one. We had a great time talking, strolling through the dorms and eating lunch in the C-Shoppe. Plan to come next time." From **Gen Suits Lasker** comes this gem: "It's a shame you didn't show up to see how we all look just the same - maybe different color hair, a little more ample between the waist and knees, but quite recognizable. All by way of saying, don't be afraid to come to Number 30." **Joan Cornoni Huntley** sent a note after the weekend and sums up all of our feelings. She writes, "The 25th Reunion was marvelous. I will remember the weekend for a long time. After all the years of dealing with all sorts of people, I had forgotten what sincere and down to earth people we have in our class. It was a real pleasure to be with them again and to introduce them to Bob." Bob was one of nine husbands who attended. The others who attended were: **Garnette Bell Crawford**, (who volunteered to be class agent with **Carol Smith Boyes** after Janet), **Connie Bennett Elliott, Loretta Burnette Rhodes, June Christian Tuttle, Ann DeWitt Harvey, Jr., Betsy Dickinson Surles, Mary Lou Dodge, Janet Galloway Carter, Frances Giannotti Scalzo, Frances Gunther Ramzy, Barbara Hamilton Fraley, Joanne Lee Harris, Sarah Martin Walrath, Anna Mawhinney Cumming, Nancy Newhall Hulburt, Pat Oberholtzer Hauser, Barbara Pritchard Jones, Betty Raynor Pittman, Carol Smith Boyes, Elaine Strawser Cherry** and **Polly Watson Englander.**

Word has been received from **Barbara Johnson Brandis.** She and husband Wellington have three children, Keith 20, Robin 16, and Kimberly, six. They are living in Richmond.

One of the best things to happen at the reunion was the gathering of information. The 1978 reunion booklet is outdated already and Anna May is preparing an addendum. We found several "lost" class members, but many are still missing. I'll include a few names for those who didn't get the booklets. Where are they? **Sara Mott Gabler, Ginny Lee Arrington, Lillian Anne Wier, Sis Atkinson Olsen** and **Libby Matthes Click.** If any of you know where the lost classmates are, please write to Janet.

Anna May and I have enjoyed being class agents because we've become reacquainted with so many of you as a result. Mary Washington is a progressive institution which we as alumni can continue to influence. Our class unit does make a difference and we encourage you all to stay in touch and visit the campus whenever you are able.

Ginny

(The Alumni Office says a great big thank you to **Ginny Kinniburgh** and **Anna May Wheeler Gillett** for all their help in making Homecoming '78 such a success. You were both wonderful Class Agents.)

Betty Baylor Neatrour and husband, Charles, took off for a 10-day tour of the USSR last Christmas Day. Betty was one of the leaders of the The Delta Kappa Gamma Winter Festival Tour. She is head of the language department at James Madison University in Harrisonburg. Their son is presently a sophomore at the U. of Richmond

Another daughter of our class is in the freshman class this year . . .**Carroll Ferrell Wolfe's** daughter, Leesa, is a Regional Scholar. Carroll's first trip back to MWC since graduation was last July for Leesa's orientation. Some changes which she noticed particularly were jeans and shorts on campus, boys in the dorms and keg parties in ACL Hall. She reports that her daughter finds her classes stimulating, her professors "fantastic", enjoys dorm life and hates the food; in short-the situation is normal. Carroll has been teaching English and journalism at Richlands High School in Southwest Virginia for 24 years. She sponsors the school paper and keeps busy with other professional organizations.

In New Jersey, **Peggy Ann Sloan Conklin** is a widow again. She continues in her professional work as editor and writer and would like to relocate in the South to be back home. Her son is now at the U. of Dayton in Ohio where he is working on his MBA.

Pat Hatfield Mayer is working for Virginia's new Lt. Governor Charles "Chuck" Robb. She managed the Robb home in Northern Virginia during the campaign last fall and then worked as an administrative assistant for him during the recent legislative session in Richmond. Pat's daughter, Kathy, just graduated from MWC this May. Kathy was Student Association President at MWC. Second daughter, Leslie, is a junior at MWC.

Babs Wilson Taliaferro writes that she and husband Duke are now living in Osprey, Fla. Duke is president of the Southeast Bank of Venice. They have three sons, Chip 20 , Rob 18 , and Cort 16 .

If you follow the Class of 1955 Alumni column, you'll note that we now have one class agent. I was notified of the passing of **Virginia Thackston Richardson** on March 31, 1978, after a continuing battle with cancer. The three column tribute to Virge from the Dearborn Heights, Michigan,newsletter told of her strength, activities, participation in community affairs and her refusal to quit living and giving. I could not say more.

As we continue to plan for our 25th reunion in 1980, the Alumni Office asked if I needed additional help. This gave me the opportunity to talk with **Ann Grubbe Blitchington** and we hope to gather a Richmond group of the Class of '55 to make plans for that very special reunion. You'll be hearing from us.

Reunion of the Class of 1958

A transfer by Western Electric for Ann's husband, Frank, brought the Blitchington's to the Richmond area several years ago. Her spare time is now spent on the tennis courts, especially since her children are nearly all in college. Daughters,Mary (an education major) and Beth (a nursing student), are both rising seniors at UVA. Mary has just received a $1000 Alumni Merit Scholarship and son,Tim, will enter VPI this fall with a merit scholarship in engineering. Fantastic and congratulations.

While visiting at VPI, Ann had the opportunity to visit **Mimi Whittemore Harman** who is currently on the faculty in the Art Dept. at Tech. She has three children, Kelly who attends Randolph Macon Women's College and two younger sons, John and Phillip. She is preparing for a New York showing of her art and has had numerous shows throughout the country. Perhaps she would consider an MWC show at Homecoming '80.

I had more news in the form of mail from the Class of '55. It was so great. Please continue. Heard from **Dot McIlwain Mattison** who lives in Belton, South Carolina. She married James Mattison (how well I remember that name from school), spent 1½ years in Germany, then returned to Belton, where she taught 7th grade science for 14 years. Dot had a little boy in 1972 and is renewing her teaching certificate hoping to return to teach 7th grade soon.

Dot says she saw her freshman roommate **Betty Jo Grubbs** from Sarasota; **Jo Jane Williams Phillips** several years ago; that Robert Lynn is now in New Jersey. Also, **Mary Alice Ratchford** lives 30 miles away but they find it hard to get their schedules together.

Ann Lovelace Trees wrote a really long letter to bring me up to date. Husband, Cliff, is in the International Dept. of the Mellon Bank of Pittsburg. Eight years ago, they went to Tokyo to establish an office there for the bank. Now Cliff will be doing the same in Hong Kong for Mellon. Ann and son, David, will join him after school in June. It sounds really great and the travel possibilities are endless.

My oldest son, Bob, has just completed his freshman year at the U. of Richmond. Younger son, David, has been selected to participate in a summer Youth Conservation Corp Program and will begin his senior year in high school this fall. This age of independence and growth is exciting, exhilarating - and we love it. Keep in touch!!

I have very little news of our classmates, but hopefully those of you who have news will write me so we can get the Class of '56 back in the news. I am sorry it has taken me so long to report the class activities but as most of you probably know by now I lost my husband on August 15, 1976, and have opened up a bridal shop in Franklin. With one son in college in Massachusetts and another son in third grade I have been swamped. At the present time the boys and I are in the process of getting ready to move to Florida to be near my dad and brother and to begin a new life and a new job. Will have a new address in June but for the time being mail will reach me here in Franklin.

My delightful roomie of college days, **Paula Morre Lee** '55 has kept me going for the last year and a half. She and her husband, Jimmy, live in Greenville, N.C., with their four wonderful children. Bonnie Lynn, the eldest, is a student at ASU in Boone, N.C. She is a real beauty and her sisters, Caroline and Cora Pauline, are not only as pretty as their sister, but just as talented, especially in music and gymnastics. Jimmy, Jr. (five) is the eyeball of the whole entire family. Paula is still busy with many activities. She is a frequent guest on TV, gives piano lessons to local musicians, belongs to all kinds of clubs and tries to listen to four children and a husband, plus me -- at times, all at one time!

Joan Tengzelius married William J. Wunderlick last April.

Hope to hear from each of you and please let's have a long column of news next time. Happy summer!

Our 20th reunion was fantastic! Everyone talked until they were hoarse. Those of you who couldn't make it, we expect to see you in 1983. **Fran Karins Updike** has already planned the week end, from which motel to stay on Friday (and she wants you to come on Friday) through dinner on Saturday night. With 39 of us talking, the roar was deafening. We enjoyed the letters and pictures that you who couldn't be with us sent.

Sue Doran Houser wrote that after living four of the past five years in Va., they were transferred to Kansas in March. They are living directly across the street from the Post Chapel where they were married nearly 21 years ago. Their daughter, Cindy, is finishing her 1st year at Duke and Stephanie, 16, was in the high school musical after only four weeks in a new school.

Barbara Price Edsall had planned to attend, but found out their newly adopted daughter from India would be arriving the week before. We all enjoyed seeing the newspaper article she sent about their family. The new baby now makes seven children for Barbara and Bob. Bob works for General Electric and teaches math at the county prison. Barbara has found time to work on her masters in couseling terminally ill patients at Temple University.

Ebie Breeden McKnight is planning a move this summer. She and her two children, Meg, 14, and Doug, 10, will move to Frankfort,Ky. Ebie will work for Commonwealth of Kentucky and begin work on her MA in Public Administration. She visited **Bobbie Conway Massey** in Houston. Her oldest son just finished his lst yr. at Vanderbilt; Allison is in high school and Jennifer finished the 1st grade. Ebie says she is making definite plans for our 25th.

Judy O'Sullivan Milton was also planning to attend, but April 22 was chosen for her daughter's first communion. Judy and Russell have twin boys, 10, and Heather, 8.

Pat Cain Naglak was coming; however, her son, Thomas, 15, has been ill and Pat did not want to be too far away. Their other son, Michael, 17, will be a senior in high school. Pat enjoyed a trip to Hawaii last October. She writes that she is planning to attend in 1983.

Marcia Minton Keech writes that she will be staying in this area. Husband, Bill, was reassigned to the Secretary of Defense so it looks like another three year tour in D.C. Their two girls are in high school and son, Billy, is in the 4th grade. Marcia is busy with a kindergarten class.

Kelly Cherry is spending the summer at Sweet Briar with the Virginia Center for the Creative Arts. Her new novel, *Augusta Played,* will be published by Houghton Mifflin next spring.

Jane Riles Wamsley writes that after six years they are leaving France for Portland,

Reunion of the Class of 1963

Oregon. They will be returning to the United States by way of the Far East. The trip will last about two months and should reveal a good cross section of Middle Eastern and Asian life.

Big news! On January 28, in New York City, **Lynne Williams** became Mrs. Alexander Neave. "Sandy" is a lawyer and partner of a New York law firm. Lynne will continue her work with Pan Am as a Manager of Financial Analysis. If you've heard from Lloyd, Peggy or Annie, do pass along the news.

Just after the last deadline for news, a long letter arrived from **Graham Walker Burns.** Bud was promoted last summer to the Personnel Dept. as Vice President at the Provident Life and Accident Insurance Co. Carol, age 10, who'll be a sixth grader in the fall, loves gymnastics, reading and camp. Lee (9), and a fourth grader to be, is the family tennis player. Jim (7), who'll be entering second grade, won first place in an art contest. Graham (5) - blond curls and sunny disposition - likes football and the trampoline. Lucy Butler (2½), loves pretty dresses, dolls and books. It goes without saying that all five keep Graham's time occupied. She's been working, however, on the Junior League's project establishing a Nature Center in Chattanooga.

Graham passed along the news that **Judy Pollard Dufrof** visited in April, 1977, for their high school reunion. Judy, Jerry and their three children are in Atlanta. When Graham was in NYC a few years ago, she talked with **Sue Ellen Peacock Hains.** Sue Ellen has continued to study art and is exhibiting her work. She, John and their two teenagers live in Suffern.

In February, Lynn received a note from **Louise Girvin Couch,** a '62 grad who lives in Lexington, Ky. John is with IBM and they have three children - Michele (12), Jack (10) and Jeanette (9). Lynn plans a visit with Louise in the summer.

As promised the last time, here's an update on my (Lynn's) activities. In November, I'll have 14 years of service with the Commonwealth of Kentucky. My current position as Child Protective Services Specialist with the Dept. for Human Resources keeps me busy drafting legislation, writing grants, providing consultation to social work staff around the state and developing Parents Anonymous chapters. About three times a year, I fly to Atlanta for meetings. Despite the length of time in the system, I'm far from the classic bureaucrat, probably because of piscean characteristics! I love to travel - anywhere - and given unlimited free time and gobs of money, I'd do nothing but. Am an Outer Banks, N.C., property owner just awaiting retirement! Still have a passion for swimming and salt water fishing, and twice a year I'm in Norfolk visiting with mother. My sister and brother-in-law remain residents of Raleigh and have two children - Jen (14 in October) and Jeff (9). Because of the disease known as "Wildcat mania," I've limited my current community service activity to serving on the Executive Board of Big Brothers-Big Sisters of Frankfort.

Sorry I missed all of you for the last issue of *MWC Today* but I proudly say we were in the "pink" with the arrival of our first baby, Shannon Glynn, which coincided with the news deadline. In late January we were transferred by U.S. Steel to Welch where David is the Coal Preparation Superintendent of this area. Strangely enough for a small town, I met another MWCer, **Katherine Hammer Anderson** who lived just three houses away and attended MWC in 1970-1971 and 1973-1974. Shortly thereafter, husband Ed's pediatric practice took them to Haiti on a special study program and they now reside in Dallas, Texas. The Andersons have one son, Ed, six months.

I had a very enjoyable conversation with **Joan Cuccias Patton** who is quite active as a mother of five ranging in ages from 11 to three. Joan has been teaching half-days, re-upholstering when she can find time and traveling with her husband, Bud, occasionally.

She published a book in 1976 and several of her articles have appeared in leading journals.

While teaching for Standard Fruit Co. in Honduras she collected and practiced cooking many

native dishes. *The Wayne County Outlook* from Monticello, Ky., published several of Marjorie's prize recipes. Marjorie and Ron have two children, Ronnie and Steven.

Needless to say with this crowd a wonderful time was had by all.

Star Meroney Wolven has just received her Masters in Education from Old Dominion U. She and Allen have just moved to the Willow Terrace area of Norfolk. They have two daughters, Britt, three, and Blair, eight mos.

(The Alumni Association says thank you to **Judy Bennett Russell, Barbara Price Wallach, Margaret Livesay Rheutan, Donna Sheehan Gladis** and **Gail Jargowsky Farmer** for serving as class agents for the last five years.)

It has already been a year since graduation - it sure went quickly - but from the news I've received, our class has really accomplished a lot!

Remember those six med. tech. students who deserted us senior year for clinical training at UVA? Five of them have joined the ever growing ranks of MWC grads in clinical labs at UVA hospital. **Barbara Capasso** is working in the bacteriology lab and became engaged in November to a graduate student in the field of material science. Also in the bacteriology lab and engaged, after a four-month courtship, is **Jan Beazley. Pam Roberts** is enjoying her lab work in hematology and shares an apartment with **Joan Castner** who has finally realized there was a reason for studying all those chemical equations! Sharing duties in the clinical chemistry lab with Joan is **Lynn Wright.** Not only does the lab keep Lynn busy, but wedding plans are taking up a lot of her time as she and Jim Calaman plan to marry in October. **Gale Waddy Draper** is living in Reston with her husband Steve and working at Georgetown Hospital. **Bonnie McGown** married William McIntyre on May 18th. **Pam Irby** became Mrs. Donald C. House on June 17th. They are living in Jacksonville, N.C.

I've seen **Karen Joyce** a few times since graduation. She enjoys her job in public relations and program development at Piedmont Seniors of Virginia, an agency for aging in Martinsville. Karen had news that **Barbara Newby** was married in Arlington in April to Ralph Cestero.

Sue Perkins Alvis is as bad about writing letters as I am, however we are both great at dialing, so we get news the easy way! She and Bob are well settled in Augusta,Ga. Sue is enjoying her job teaching and taking graduate courses, while Bob is starting his second year of residency.

Gay Johnson Irby writes that she was married last July and is presently drafting for a surveying and engineering firm and also teaching an art course at night at a community college.

Going back to the scientists, **Susie Jordan** is working for VPI and SU's SO. Piedmont Research and Continuing Ed. Center as a technician. Her duties range from taking insect counts to computer processing of data. She says she really enjoys it and feels that her MWC genetics background has been a great help!

And one last scientist . . . .**Carolyn Alexander** loves her job in the Pediatric Cardiology Dept. at MCV as a research/technician in echocardiography. Carolyn came to visit me in February and showed me some beautiful pictures from her "tour of the U.S." last fall with **Betty Galt.** Betty is working as a retail manager at Abraham and Straus dept. store in New York.
Have a great summer!

Debbie

Susan Scott Estes and husband, Larry, are living in Fredericksburg. **Alix Grimm** married Lt. Edward John Brennan last July. They are residing in Hopkinsville, Kentucky, next to Ft. Campbell where husband is stationed with the 101st Airborne Division.

Eleanor D. Jones is presently a graduate student in P.R. Administration at American University and a public relations consultant in Washington D.C.

The weekend of April 8 was catch-up time in Richmond for Jefferson 3rd West class of '77. Much of the preliminaries involved admiring new ring-finger decorations and exchanging congratulations. The weekend's activities began at **Linda Mollan's** apartment. One of our first toasts was raised to Linda and Ron's engagement and happiness together. Linda is working as a counselor in a group home for mentally retarded adults.

First to arrive on the scene at 2 a.m. Saturday morning from the "Deep South" were **Chris Miller Ostendorff** and **Laura Stapleton.** Chris is currently teaching third grade in Goose Creek, S.C. and is anxiously awaiting the return of her water-logged husband, Bill. She is also working on a master's degree in special education at The Citadel. Laura is working on a master's in Environmental Health Sciences at the University of South Carolina, with emphasis in Occupational Health and Industrial Hygiene.

Next in line to show off her ring and husband, Scott, was **Karen Miller Palmer.** Karen is now working in D.C. as a professsional accountant for the Department of Defense.

The party soon became a progressive event, moving on to **Debbie Grist's** swinging single's apartment complex for barbecued chicken. Debbie works for the State Highway Department in Richmond.

Kyle Gooch Williams took a break from "Disco-mania" at a nearby high school, long enough to bring us up to date. It seems that husband, Alan, has taken to moonlighting from the classroom, as a Disco D.J. Kyle is teaching fifth grade in Virginia Beach and is working on a master's in education at William and Mary. **Jeanne Marie McDonough** is working on a second Bachelor's degree in Medical Technology. She and Laura are considering organizing a "Professional Student's Association."

We missed seeing **Joan Castner.** Joan is a medical technologist at UVA Hospital.
Sincerely,

Julie

While there, she shared an apartment with **Nancy Thornton** and **Jean Callahan.** Linda frequently sees her old roommate, **Mimi Morrell** who is sharing an apartment with **Mary Beth Rohde.** Mimi teaches second grade and Mary Beth is a social worker for the Stafford County Welfare Department.

DA Nominations Are Sought

The MWC Alumni Association is comprised of many distinguished alumni, but each year at Homecoming, one alumnus is singled out for the distinctive honor of being the MWC Distinguished Alumnus.

Your help is needed in identifying alumni who have made an outstanding contribution in one or more of the following areas: his/her profession or career, civic activities, creative endeavors in the arts and/or sciences, humanitarian causes and service to Mary Washington College.

Remember that nominees must be graduates of Mary Washington College, and that they may not be current members of the Board of Directors of the Alumni Association. The candidate should not know of the plan to be nominated; therefore, information in support of candidacy should be sought from other sources.

Persons nominated but not selected shall automatically be reconsidered in subsequent years if the biographical information can be updated. Nominators will be expected to keep the files on their nominees up-to-date.

The next award will be presented on April 21, 1979. Nominations must be received by December 1, 1978. They may be submitted to Reba Collier Thorpe, Route 1, Box 80, Myrtle Acres, Newsoms, Va. 23874. Forms for making nominations are available from the Alumni Office.
